Please make checks payable to the Greater Belleville Chamber of Commerce and mail to:

Greater Belleville Chamber of Commerce 216 East A Street Belleville, IL 62220

CHILI COOK-OFF RULES & REGULATIONS

Please <u>initial</u> next to each of the following regulations to indicate you have read each one and agree to it. Then please sign on reverse. Failure to comply with these rules and regulations can result in forfeiture of deposit. Thank you!

- FOOD HANDLING SAFTEY COURSE: All Chili Cook-off vendors must provide either a copy of their food handling license, issued through a verified county Health Department, OR send at least one representative from their organization to attend one of the classes (dates to be announced; more on page 7). One person who has earned certification MUST be in the booth at all times. Classes are available at the Chamber at no cost and will earn a Temporary Food Handler certificate good for one year. Online classes are \$15 or less and will earn a Food Handler certificate good for 3 years. Failure to provide certification by September 8th will result in the automatic withdrawal of your vendor booth at the 39th Annual Chili Cook-off. Your deposit will not be refunded. No Exceptions.
- ____ Non-potable water is available for clean-up purposes only. No cooking items can be washed with it and it cannot be used for drinking or cooking. There are hook-ups on the square in the St. Clair County Annex Building quadrant and the Veteran's Memorial quadrant that can be used after 10pm Friday and Saturday only.
 - All water used for cooking, cleaning cooking utensils or handwashing must be potable and must be brought into Festival grounds by the vendors.
- Booths must be set up by 9 a.m. on Friday and in operation by 11 a.m. on Friday and Saturday. No vehicles are allowed within the festival perimeter after 9 a.m. on FRIDAY. This is for the safety of the other vendors as well as attendees.
- During setup and throughout the festival, vendors are not to park their vehicles in the parking lot behind the Lincoln Theater (off East "A" Street between High and Jackson Streets) or by Ben's Crafts (on the corner of High and Washington). By order of the City of Belleville, these lots are to remain open for customers of those businesses.
- For the safety of festival participants, there will be absolutely no dismantling of booths prior to **9 p.m.** Saturday. Dismantling is not allowed on Friday. If you sell out of food early on Saturday, you may close your booth, but tables, tents, etc... may not be taken down until after 9 p.m. Vehicles cannot be pulled in to load until after released to do so by the Belleville Police Department.
- Vendors will be assigned a set up time. Vendors may not enter festival area before their assigned time, and must enter & exit at designated locations. This is for everyone's safety and ease of setting up. Too many vehicles in the festival grounds make it impossible for anyone to set up. We appreciate everyone's cooperation.
- Vendors are responsible for providing their own tents, serving tables and other necessary equipment and supplies. All vendor supplies must be contained within the vendor space. NOTHING IS TO BE OUTSIDE, BEHIND, NEXT TO THIS SPACE OR PLACED ON THE SIDEWALKS, by order of the City of Belleville.
- The Belleville Fire Department requires all vendors to have a fire extinguisher at their booth. For vendors who deep fry, a K fire extinguisher is required for oils and greases. For vendors cooking with an open flame, the 4A40BC fire extinguisher or larger is required. A 4A40BC fire extinguisher can be accomplished with two extinguishers with a total of 4A40BC (ie: 2 each 2A20BC). For all other vendors a standard-type fire extinguisher is required.
- The City of Belleville will provide large garbage totes around the festival area. Volunteers will take care of removing full totes and bringing back an empty one. Please do not dump trash in any of the private dumpsters. Those are for the businesses along East and West Main Street.
- No grease is to be dumped on the street or alleys. Please dispose of grease by putting it in a container and placing it in the garbage tote.
- Vendor booth area must be free from trash Friday and Saturday evening before leaving the Cook-Off. Any trash left on the sidewalks or in the area around your booth, must be picked up or swept to the middle of the street for the street cleaner.

- All health codes must be met (updated health codes will be sent in vendor packet closer to the event). It is the responsibility of each participant to keep their area clean and properly store perishable food items. The Health Dept. will inspect booths both Friday and Saturday so please follow codes or your booth may be subject to immediate shut down.
- No generators allowed.
- If using a propane tank, the tank must be secured. The smaller 20 lb tanks can be in a milk crate secured with bungee cords, but larger tanks need to be secured with a light weight chain, not bungee cords.
- Due to health codes, no pets are allowed at the Chili Cook-off.
- All vendors must sell some type of entrée, side item, dessert or beverage (with the exception of alcoholic beverages). Because this is a food festival, vendors are not allowed to sell non-food items.
- No Alcohol may be sold Water, soda, tea, lemonade, fruit drinks, etc... may be sold at each vendor location.
- Electrical: Each vendor space will have up to three 110 volt circuits available. This can accommodate up to 3 high wattage devices (ie: roasters, cookers, warmers) and up to 3 low wattage devices (ie: lights, cash register, small electronics). Each circuit provides 1 outlet with 2 plug-in's.

Vendors that require 220 volt power will be provided one 60 amp circuit. We can no longer provide 100 amp service due to the growth of the festival.

All vendors are required by the Chili Cook-off to use the 10/3 extension cords (available at hardware supply stores). 50 foot cords are sufficient. Vendors must have a separate extension cord for each circuit. This is for your safety and that of your fellow vendors. Our electrical codes are stricter than the Fire Department due to the electrical needs of all vendors.

Chamber staff will verify power usage prior to the event start on Friday by 11 a.m. Vendors will be asked to comply with rules regarding available electric.

PLEASE SIGN

I have read and initialed all the above rules and regulations for the 39th Annual Chili Cook-off indicating I understand and agree to comply with these rules and regulations. I also understand that if I am not in compliance during the festival, I may not be allowed to open my booth, my \$100 deposit may be forfeited and/or I may not be asked to participate in next year's Chili Cook-off.

Signature Date

Please keep a copy of the Vendor Application/Rules & Regulations for your records. If you have any questions, please contact the Greater Belleville Chamber of Commerce at (618) 233-2015.

2023 Vendor Training Opportunities

All Chili Cook-off vendors must provide either a copy of their food handling license, issued through a verified county Health Department, OR send at least one representative from their organization to attend one of the classes listed below. Classes are available at the Chamber at no cost and will earn a Temporary Food Handler certificate good for one year. Online classes are \$15 or less and will earn a Food Handler certificate good for 3 years. Failure to provide certification by September 8th will result in the automatic withdrawal of your vendor booth at the 39th Annual Chili Cook-off. Your deposit will not be refunded. No Exceptions.

1-YEAR TEMPORARY FOOD HANDLER CERTIFICATION CLASSES

Cost: No Charge

DATES WILL BE SENT OUT WHEN THEY COME AVAILABLE.

ONLINE 3-YEAR FOOD HANDLER CERTIFICATION COURSES Cost: \$15 or less

The following web sites are locations for the Illinois Food Handler Training. Individuals log onto the website and complete the training, as well as take a 40 question test. After they pass the test, they will be allowed to print a food handler card. At least one person from the establishment must take the course and be present in the booth. Both the Food Manager Certificate and the food handler cards must be at the food service establishment at the time of inspection. Both the course and assessment for the food handler can be completed online, 24 hours/day.
